## PNFP REPORTS RECORD EARNINGS PER SHARE OF $\$ 0.52$ FOR THIRD QUARTER Loans increased 11.4 percent over last year Loan, core deposit and revenue growth produce operating leverage

NASHVILLE, Tenn., Oct. 21, 2014 - Pinnacle Financial Partners, Inc. (Nasdaq/NGS: PNFP) reported net income per diluted common share of $\$ 0.52$ for the quarter ended Sept. 30, 2014, compared to net income per diluted common share of $\$ 0.42$ for the quarter ended Sept. 30, 2013, an increase of 23.8 percent. Net income per diluted common share was $\$ 1.48$ for the nine months ended Sept. 30, 2014, compared to net income per diluted common share of \$1.23 for the nine months ended Sept. 30, 2013, an increase of 20.3 percent.
"Our performance in the third quarter of 2014 represents our seventh consecutive quarter of record earnings per share for the shareholders of our firm," said M. Terry Turner, Pinnacle's president and chief executive officer. "We continue to experience strong organic loan growth as well as strong growth in revenues and profitability. End-of-period loan balances increased by 11.4 percent year over year, while average non-interest bearing deposits increased by 19.7 percent during the same period. Our third quarter results place us in great position to achieve our 2014 growth targets."

## GROWING THE CORE EARNINGS CAPACITY OF THE FIRM:

- Loans at Sept. 30, 2014 were a record $\$ 4.421$ billion, an increase of $\$ 105.7$ million from June 30, 2014. Loans increased $\$ 451.9$ million from Sept. 30, 2013, a year-over-year growth rate of 11.4 percent.
- Average balances of noninterest-bearing deposit accounts were $\$ 1.317$ billion in the third quarter of 2014 and represented approximately 28.3 percent of total average deposit balances for the quarter, another record for the firm. Third quarter 2014 average noninterest-bearing deposits increased 19.7 percent over the same quarter last year.
- Revenues (excluding securities gains and losses) for the quarter ended Sept. 30, 2014 were a record $\$ 62.4$ million, an increase of $\$ 2.6$ million from $\$ 59.8$ million in the second quarter of 2014. Revenues (excluding securities gains and losses) increased 8.7 percent over the same quarter last year.
- Return on average assets was 1.25 percent for the third quarter of 2014, compared to 1.21 percent for the second quarter of 2014 and 1.09 percent for the same quarter last year. Third quarter 2014 return on average tangible equity amounted to 13.69 percent, compared to 13.50 percent for the second quarter of 2014 and 12.71 percent for the same quarter last year.
"We remain optimistic about our ability to achieve our 2014 end-of-year loan targets," Turner said. "Our 2014 third quarter annualized net loan growth rate of 9.8 percent exceeded our 2013 third quarter annualized net loan growth rate of 4.5 percent, providing further evidence of the achievability of our three-year growth targets for the period ending December 2014. As our focus turns to the next three-year period, we expect firms that are capable of efficient and effective core deposit acquisition will be the banking firms ultimately rewarded by investors. For that reason, we are pleased with the nearly 20 percent annual growth rate in demand deposits."

## OTHER THIRD QUARTER 2014 HIGHLIGHTS:

## - Revenue growth

o Net interest income for the quarter ended Sept. 30, 2014 was $\$ 49.5$ million, compared to $\$ 47.2$ million for the second quarter of 2014 and $\$ 44.6$ million for the third quarter of 2013.

- The firm's net interest margin increased to 3.79 percent for the quarter ended Sept. 30, 2014, up from 3.71 percent last quarter and 3.72 percent for the quarter ended Sept. 30, 2013.
o Noninterest income for the quarter ended Sept. 30, 2014 was $\$ 12.9$ million, compared to $\$ 12.6$ million for the second quarter of 2014 and $\$ 11.4$ million for the same quarter last year.
- Other fees increased by $\$ 512,000$ between the second and third quarters of 2014 due to several factors, including gains on other investments and increased interchange revenues. Other fees decreased $\$ 702,000$ between the quarters ended Sept. 30, 2014 and guaranteed portion of a loan in the third quarter of 2013.
"Our net interest margin improvement was primarily attributable to higher loan yields and continued lower funding costs," said Harold R. Carpenter, Pinnacle's chief financial officer. "Average loan yields for the third quarter of 2014 increased by seven basis points compared to the second quarter of 2014, while our cost of funds decreased by one basis point. Loan yields increased due to several factors, including recognition of interest income on loans previously classified as nonaccrual and the favorable impact of certain hedging activities entered into during the second quarter of 2014. Looking to the fourth quarter, we believe our net interest income should expand based on volume increases, while our net interest margin will likely contract modestly but remain well within our previous guidance."

## - Noninterest expense

o Noninterest expense for the quarter ended Sept. 30, 2014 was $\$ 34.4$ million, compared to $\$ 33.9$ million in the second quarter of 2014 and $\$ 33.3$ million in the same quarter last year.

- Equipment and occupancy expense increased by \$560,000 compared to the second quarter of 2014, primarily due to a $\$ 460,000$ write-off of equipment resulting from the decision to outsource certain services to a third party provider.
- Other real estate owned expenses (OREO) were \$417,000 in the third quarter of 2014, compared to $\$ 226,000$ in the second quarter of 2014 and \$699,000 in the same quarter last year.
- Other noninterest expense decreased by $\$ 147,000$ in the third quarter of 2014 compared to the second quarter of 2014 , and by $\$ 660,000$ compared to the third quarter of 2013, primarily due to costs associated with the resolution of a legal matter during the third quarter of 2013.
"Our third quarter results reflect an efficiency ratio of 55.0 percent, which is another record for the firm," Carpenter said. "Our goal is to continue to increase the operating leverage of our
firm primarily through increased revenues while maintaining effective cost controls. That said, we believe that in order to remain a high performing franchise, prudent management of our expense base will continue to be a requirement."

## - Asset quality

o Nonperforming assets were $\$ 34.0$ million at Sept. 30, 2014, compared to $\$ 28.6$ million at June 30, 2014 and $\$ 35.5$ million at Sept. 30, 2013. Nonperforming assets were 0.77 percent of total loans and ORE at Sept. 30, 2014, compared to 0.66 percent at June 30, 2014 and 0.89 percent at Sept. 30, 2013.
o The allowance for loan losses represented 1.50 percent of total loans at Sept. 30, 2014, compared to 1.55 percent at June 30, 2014 and 1.70 percent at Sept. 30, 2013. The ratio of the allowance for loan losses to nonperforming Ioans was 305.6 percent at Sept. 30, 2014, compared to 426.6 percent at June 30, 2014 and 336.6 percent at Sept. 30, 2013.

- Net charge-offs were $\$ 1.6$ million for the quarter ended Sept. 30, 2014, compared to $\$ 890,000$ for the second quarter of 2014 and $\$ 2.1$ million for the quarter ended Sept. 30, 2013. Annualized net charge-offs as a percentage of average loans for the quarter ended Sept. 30, 2014 were 0.14 percent, compared to 0.21 percent for the quarter ended Sept. 30, 2013.
- Provision for loan losses increased from \$685,000 for the third quarter of 2013 to $\$ 851,000$ for the third quarter of 2014 . The provision was \$254,000 for the second quarter of 2014.
"Total nonperforming loans increased by $\$ 6.0$ million between Sept. 30, 2014 and June 30, 2014," Carpenter said. "At Sept. 30, 2014, approximately $\$ 15.6$ million of the $\$ 21.6$ million in nonperforming loans are performing pursuant to their contractual terms. We expect that our credit metrics will continue to be in the top quartile of most peer groups and provide us with additional credit leverage for the remainder of this year and next."

BOARD OF DIRECTORS DECLARES DIVIDEND

On Oct. 21, 2014, Pinnacle's Board of Directors also declared an $\$ 0.08$ per share cash dividend to be paid on Nov. 28, 2014 to common shareholders of record as of the close of business on Nov. 7, 2014. The amount and timing of any future dividend payments to common shareholders will be subject to the discretion of Pinnacle's Board of Directors.

## WEBCAST AND CONFERENCE CALL INFORMATION

Pinnacle will host a webcast and conference call at 8:30 a.m. (CDT) on Oct. 22, 2014 to discuss third quarter 2014 results and other matters. To access the call for audio only, please call 1-877-602-7944. For the presentation and streaming audio, please access the webcast on the investor relations page of Pinnacle's website at www.pnfp.com.

For those unable to participate in the webcast, it will be archived on the investor relations page of Pinnacle's website at www.pnfp.com for 90 days following the presentation.

Pinnacle Financial Partners provides a full range of banking, investment, trust, mortgage and insurance products and services designed for businesses and their owners and individuals interested in a comprehensive relationship with their financial institution.

The firm began operations in a single downtown Nashville location in October 2000 and has since grown to approximately $\$ 5.9$ billion in assets at Sept. 30, 2014. At Sept. 30, 2014, Pinnacle is the second-largest bank holding company headquartered in Tennessee, with 29 offices in eight Middle Tennessee counties and four offices in Knoxville. Additionally, Great Place to Work ${ }^{\circledR}$ named Pinnacle one of the best workplaces in the United States on its 2014 Best Small \& Medium Workplaces list published in FORTUNE magazine. The American Banker also recognized Pinnacle as the best bank to work for in the country.

Additional information concerning Pinnacle, which is included in the NASDAQ Financial-100 Index, can be accessed at www.pnfp.com.
changes in loan underwriting, credit review or loss reserve policies associated with economic conditions, examination conclusions, or regulatory developments; (v) effectiveness of Pinnacle Financial's asset management activities in improving, resolving or liquidating lower-quality assets; (vi) increased competition with other financial institutions; (vii) greater than anticipated adverse conditions in the national or local economies including the Nashville-Davidson-Murfreesboro-Franklin MSA and the Knoxville MSA, particularly in commercial and residential real estate markets; (viii) rapid fluctuations or unanticipated changes in interest rates on loans or deposits; (ix) the results of regulatory examinations; ( x ) the ability to retain large, uninsured deposits; (xi) the development of any new market other than Nashville or Knoxville; (xii) a merger or acquisition; (xiii) any matter that would cause Pinnacle Financial to conclude that there was impairment of any asset, including intangible assets; (xiv) reduced ability to attract additional financial advisors (or failure of such advisors to cause their clients to switch to Pinnacle Financial) or otherwise to attract customers from other financial institutions; (xv) further deterioration in the valuation of other real estate owned and increased expenses associated therewith; (xvi) inability to comply with regulatory capital requirements, including those resulting from changes to capital calculation methodologies and required capital maintenance levels; (xvii) risks associated with litigation, including the applicability of insurance coverage; (xviii) approval of the declaration of any dividend by Pinnacle Financial's board of directors, (xix) the vulnerability of our network and online banking portals to unauthorized access, computer viruses, phishing schemes, spam attacks, human error, natural disasters, power loss and other security breaches, ( $x x$ ) the possibility of increased compliance costs as a result of increased regulatory oversight and the development of additional banking products for our corporate and consumer clients, and (xxi) changes in state and federal legislation, regulations or policies applicable to banks and other financial service providers, including regulatory or legislative developments arising out of current unsettled conditions in the economy, including implementation of the Dodd-Frank Wall Street Reform and Consumer Protection Act. A more detailed description of these and other risks is contained in Pinnacle Financial's most recent annual report on Form 10-K filed with the Securities and Exchange Commission on February 25, 2014 and Pinnacle Financial's most recent quarterly report on Form 10-Q filed with the Securities and Exchange Commission on August 1, 2014. Many of such factors are beyond Pinnacle Financial's ability to control or predict, and readers are cautioned not to put undue reliance on such forward-looking statements. Pinnacle Financial disclaims any obligation to update or revise any forward-looking statements contained in this report, whether as a result of new information, future events or otherwise.

This information is preliminary and based on company data available at the time of the presentation.

1. Ratios are presented on an annualized basis.
2. Net interest margin is the result of net interest income on a tax equivalent basis divided by average interest earning assets.
3. Total revenue is equal to the sum of net interest income and noninterest income.
4. Efficiency ratios are calculated by dividing noninterest expense by the sum of net interest income and noninterest income.
 etc.). All of these loans continue to accrue interest at the contractual rate.

 immediately). Additionally, loans rated " 8 " or worse that are not nonperforming or restructured loans are considered potential problem loans. Generally, consumer loans are not subjected to internal risk ratings.
5. Annualized net loan charge-offs to average loans ratios are computed by annualizing year-to-date net loan charge-offs and dividing the result by average loans for the year-to-date period.
6. Capital ratios are defined as follows:

Equity to total assets - End of period total stockholders' equity as a percentage of end of period assets.
Tangible common equity to total assets - End of period total stockholders' equity less end of period goodwill, core deposit and other intangibles as a percentage of end of period assets.
Leverage - Tier one capital (pursuant to risk-based capital guidelines) as a percentage of adjusted average assets.
Tier one risk-based - Tier one capital (pursuant to risk-based capital guidelines) as a percentage of total risk-weighted assets.
Total risk-based - Total capital (pursuant to risk-based capital guidelines) as a percentage of total risk-weighted assets.
Classified asset - Classified assets as a percentage of Tier 1 capital plus allowance for loan losses.
Tier one common equity to risk weighted assets - Tier 1 capital (pursuant to risk-based capital guidelines) less the amount of any preferred stock or subordinated indebtedness that is considered
as a component of tier 1 capital as a percentage of total risk-weighted assets.
9. Book value per share computed by dividing total stockholders' equity less preferred stock and common stock warrants by common shares outstanding.
10. Amounts are included in the statement of operations in "Gains on mortgage loans sold, net", net of commissions paid on such amounts.
11. At fair value, based on information obtained from Pinnacle's third party broker/dealer for non-FDIC insured financial products and services.
12. Core deposits include all transaction deposit accounts, money market and savings accounts and all certificates of deposit issued in a denomination of less than $\$ 250,000$.

The ratio noted above represents total core deposits divided by total funding, which includes total deposits, FHLB advances, securities sold under agreements to repurchase, subordinated indebtedness and all other interest-bearing liabilities.
13. Associate retention rate is computed by dividing the number of associates employed at quarter-end less the number of associates that have resigned in the last 12 months by the number of associates employed at quarter-end.

 Greater Nashville Association of Realtors.
15. Adjusted pre-tax, pre-provision income excludes the impact of investment gains and losses on sales and impairments, net and non-credit related loan losses as well as other real estate owned expenses and FHLB restructuring charges.
16. Represents month's supply of homes currently listed with MLS based on current sales activity in the Nashville MSA.

18. The dividend payout ratio is calculated as the sum of the annualized dividend rate divided by the trailing 12 -months fully diluted earnings per share as of the dividend declaration date.

[^0]:    (1) Average balances of nonperforming loans are included in the above amounts.
    (2) Yields computed on tax-exempt instruments on a tax equivalent basis.
    (3) Yields realized on interest-bearing assets less the rates paid on interest-bearing liabilities. The net interest spread calculation excludes the impact of demand deposits. Had the impact of demand deposits been included, the net interest spread for the quarter ended September 30, 2014 would have been $3.77 \%$ compared to a net interest spread of 3.71\% for the quarter ended September 30, 2013.
    (4) Net interest margin is the result of annualized net interest income calculated on a tax equivalent basis divided by average interest-earning assets for the period.

[^1]:    (1) Average balances of nonperforming loans are included in the above amounts.
    (2) Yields computed on tax-exempt instruments on a tax equivalent basis.
    (3) Yields realized on interest-bearing assets less the rates paid on interest-bearing liabilities. The net interest spread calculation excludes the impact of demand deposits. Had the impact of demand deposits been included, the net interest spread for the nine months ended September 30, 2014 would have been $3.74 \%$ compared to a net interest spread of 3.78\% for the nine months ended September 30, 2013.
