Pinnacle is moving into its new [headquarters](#) and [flagship retail office](#) in 2025, and we can't wait to welcome you through the doors.

The new Pinnacle Tower sits in the heart of Nashville Yards, a 19-acre mixed use development with office, residential, retail, restaurants and entertainment. It's a secure, controlled campus tailored for a professional atmosphere during business hours. Nashville Yards was designed for easy accessibility from any part of town, with multiple garage entrances.

The Tower has ample parking in its underground garage, and we will validate when visiting for business. We have a Pinnacle banking office on the first floor next to the lobby. It's easily accessible from surface level on the north side of the Tower and from the parking garage underneath. The garage elevator takes you to the Tower lobby, our first-floor retail office and upper floors. Our Music, Sports & Entertainment team are on the second floor, with more financial advisors and other associates on floors 21-25.

By foot or bike, the Tower is accessible within 5-15 minutes from all of downtown, Midtown, Capitol View, the Gulch and the Riverfront.

 - **Note:** Our banking office is on Platform Way South. The building is marked “21 Platform Way S.”
 - Look for the building with “Pinnacle” at the top, and you’ve found the right place.
 - Another Pinnacle office is located across Church Street on Platform Way North in the base of the Amazon tower, but it has more limited capabilities.

- By car, park in the garage and take the elevator to the first-floor lobby. Our office is on the north side.

When visiting a financial advisor on an upper floor:

- Enter the Tower's lobby by foot or from the garage elevator and check in with the reception desk. They will direct you to the elevators, which will know which floor you're visiting and take you straight there.

The Pinnacle Tower and our offices are fully accessible to those with mobility issues. Elevators are available for every floor; pedestrians use broad, flat walkways; and accessible parking is available in the garage.
